All,

Specific store stockings are best done at the Store level - better yet with the help of Ritchie. Tatia, the office manager. We are spending a lot of resources for this 1 doctor. If Patrick (below) has already discussed with Tatia, I would have him ask her to fax/call in a request for the store to stock - store will do so knowing that the patient is coming in there.

Just my 2 cents worth...

I think two separate emails...

One to Steve regarding Dr. Schwartz and the need for Walmart to stock it.... Then Steve can follow up...maybe there is a DM that help within Walmart

Then an email to Dorsey..for CVS....

That should get us started..

· CVS - 3 locations around Oklahoma City

· Walmart pharmacies - 20 locations see attached. Can we send the attached list to Walmart DC and ask them to ship product to these stores if they haven't?

I cannot find any Albertson pharmacies around - I will ask Nathalie.

CVS and Supervalu is a little different via wholesalers.

For Walmart, they buy direct, can we ask DCs to send product to the stores directly, push rather than pull?

Need to put some generic Kadian to the following pharmacies in Oklahoma City. This doctor is one of the top prescribers in Kadian.

-Albertsons

-CVS

-Walmart

Mike D, Steve - what would you suggest? Can you call the distribution center to send products? For CVS, would we call wholesaler or call pharmacy directly?

Nathalie,

I spoke with Dr. Schwatz' office late Friday and with Ritchie. Tatia, the office manager, said things did get better this week but still having trouble finding generic Kadian. I told her that we would send out communication to the retail pharmacies in the Oklahoma area and make sure they have access to generic Kadian. She said that would be great. I informed her to call me with any issue that may arise next week and in the future.

Below are the most critical pharmacies they use:

-Albertsons

-CVS

-Walmart

Please let me know what I can do on my end to assist and thanks for the help. Tell Jinping thanks as well.
